

Masies Empordà

House with an area of 268 hectares of land in the Lluçanès

The farm is located in the Osona, halfway between the towns of Sant Boi de Lluçanès, Sora, and Oris.

Geographically it is located in the north border of the Catalan Central Depression and Pre-Pyrenees.

The farm has a total area of 267.68 ha. This area has been derived from the topographic map by surveyor (October 5, 1994).

The farm is located in an elevated position to an intermediate level between the Vic Plain and Lluçanès plateau: dimensions of between 680 and 960 m above sea level. The farm has a central part of flat relief, with landings in high position are occupied mainly by farming and grazing areas. In extreme relief surrounding the central landing becomes steep, with slopes facing mostly shady and covered with woodland.
