Village house for sale with 177 m2 built with plot of 153. Located in the area of Monells. Baix Empordà region. Girona. Spain.

It is believed to have been formed around the old castle, of which only the walls remain. There are records of medieval histories of the village from 922 to the 17th century.

It is possible that the name Monells originates from the mills that used to make use of the water from the river that runs through the centre of the village.

Every corner of the village recalls its medieval past of knights, nobles and kings. Of markets, castles, inheritances and a thousand stories, narrow streets, houses and palaces, stone arches that join facades and houses, a unique visual spectacle.
