Extraordinary country house for sale dating from the XV-XVI century. 2.023 m2 built and 39.000 m2 plot. Located in the municipality of Cervià de Ter in the Raset neighbourhood. Girones region. Girona. Girona. Spain.

It is a farmhouse in the village of Raset, just over two kilometres from Cervià de Ter, dating from the 15th-16th centuries and declared a cultural asset of national interest. It was originally a 16th century fortified house. Part of the current building corresponds to the 16th century, of which there are remains of its fortified past with loopholes and the furnishings made using the "opus spicatum" technique. These are rural constructions made of bricks or carved stones, laid in a herringbone pattern.
